6 February, 2018

To Members and Friends of the Friends of the Tay Watershed:

As we move into another year of watershed activities, this is to thank you, on behalf of our board, for your ongoing support, and provide an early notice of our first event for 2018 - our AGM.

- We hope that you will again consider supporting the *Friends*, by renewing your membership for 2018. The amount is small, at \$10.00, but goes a long way in supporting our activities and confirming our community mandate.

You may do this at <http://taywatershed.ca/documents/membership.php> or by mailing your cheque to the address below.

Note: If you prepaid your 2018 membership last year, please ignore this.

- Should you also wish to donate to the association's activities, your contribution will provide resources for our ongoing education projects, such as Watershed Discovery Day and community displays. Donations may be made online at: <http://taywatershed.ca/documents/donations.php>, or by mail (and receive a Charitable Receipt).

Our AGM is coming up on Thursday, March 22nd, at the Perth Legion. Please mark your calendar and join us, at 2:00 for refreshments, meet the Board and colleagues, and presentations on programs and activities. Much has been happening in the watershed in the past year - on water levels, new legislation, moves to reduce building standards etc.; this is your opportunity to hear about them and ask questions.

On Behalf of the Board,
Friends of the Tay Watershed Association
P.O. Box 2065, 57 Foster St., Perth, K7H 3M9
