

Friends of the Tay Watershed,

Join us for the **18th Annual Lake Links workshop** to learn about the many citizen science initiatives available to you. Join keynote speaker, Kat Kavanaugh of the Water Rangers, for this year's theme: **Enhancing, Restoring & Exploring: Applications for Citizen Science on Your Lake.**

Hear from local lake associations about projects they have initiated on their lakes. As always, representatives and displays from local environmental groups will be on-hand to answer all of your questions. A full schedule will be available closer to the event.

Lake Links will be held on **Saturday October 26th, 2019 at the Perth Civitan Hall.**
Purchase tickets [here](#).

Make sure to [share the Facebook event](#) with your network. **We are excited to see you at this year's Lake Links!**

The Lake Links Planning Committee is comprised of: Cataraqui Region Conservation Authority, Friends of the Tay Watershed Association, Lake Networking Group, Lanark County Stewardship Council, Mississippi Valley Conservation Authority, Ontario Ministry of Natural Resources and Forestry, Rideau Valley Conservation Authority, and Watersheds Canada.
