**Join Us for a Paddle Down the Tay Canal
Saturday, September 14, 2019, at Perth!**

Canoeists and kayakers are invited to join us for a paddle down the Tay Canal, on Saturday, September 14.

This guided tour will start at 10:00am, at Last Duel Dock, on the east side of Perth, and paddle 10 kms. to Beveridge Locks. Along the way, we will have commentary on the local flora and fauna by Shaun Thompson, retired biologist with the Ontario Ministry of Natural Resources, and on the canal and area history by other experts.

This year there will be a \$15 fee per paddler as part of a fund-raising activity to help support the on-going programs of the Friends of the Tay Watershed.

Refreshments and a get-together will be held at the Locks, and transportation will be available, where required, back to Perth to pick up vehicles.

If you plan on participating, please advise by e-mail or telephone – see contacts below. Also, advise us if you will require transportation back from Beveridge Locks to Perth to pick up your car.

Don't forget to bring the required canoe/kayak equipment with you (A list of this and link to the MOT website are provided at our website).
